50 Weapons – Phon.o Launch with Dark Sky, Anstam - Live & Very Special Guest DJ Set / 2nd June / XOYO

<http://img205.imageshack.us/img205/3013/newartworklowres.jpg>

On Saturday June 2nd Broken & Uneven will be hosting one of three officially endorsed Field Day After Party's at XOYO. This will be a 50 Weapons special to celebrate the release of Phon.o's new album, Black Boulder. Featuring Phon.o - Live, Dark Sky, Anstam - Live and A VERY SPECIAL SURPRISE GUEST DJ SET!!!

The Berlin-based label, which is home to Addison Groove, Doc Daneeka, Benjamin Damage and Cosmin TRG is run by none other than Modeselektor and continues their tradition of embracing all forms of electronic music. Known for their open-ended approach to their label A&R policy, it's this unpredictability that keeps both artists and fans on their toes.

Phon.o's upcoming album is a welcome addition to label's discography as the producer dishes up an extended player that promises to be a defining mission statement. With nods to the darker side of Dub, Garage and Techno and after two jaw-dropping EP's in 2011 it's no surprise that an album has to come to light so swiftly. Support on the night comes from London's own Dark Sky who have turned heads since the release of 'Radius EP' on the label which sonically flirted with everything from House, Techno and even UK Garage at times so expect no less from their DJ set.

Ever elusive Radiohead-faves Anstam will also be treating us to a live set which will be packed full of interpretations from his recent album Dispel Dances. Somewhat of a law unto himself, Anstam's irregular beat patterns and melodies are not for the faint-hearted so be expect plenty of leftfield beats.

The Surprise Guest won't be revealed until the night of the party but rest assured that they will be perfectly suited for fans of this label and night...

This is an Official Field Day After Party.

Line up

Phon.o (Live)

Dark Sky

Anstam (Live)

Seb Wildblood

& Very Special Surprise Guest DJ Set

Tickets Available From: <http://www.residentadvisor.net/event.aspx?365721>
