

Diesel Recordings release No.103 with **RamjamSam & Nattikk**

This Canadian duo delivers a huge dose of energy in their track **Rollin'**. Expect interesting

vocal cuts, great flow and positive vibes only! On remix duty 3 top quality producers.

Perpetual Present

delivers a great, energetic remix kept in tech breaks style.

Metachemical

and his dnb version of the original track will undoubtedly set the dance floors on fire!

JKHZ

does not stand out and brings a tasty piece of tech breaks to our table. Must Have for every DJ mix!
