Green Flamez is back at it with his latest release, Losing My Mind. This half time breaks tune is

filled with big funky bass, slick guitar licks and a groove that will have any crowd going mental. This is the best work they have put out to date and it's a killer no filler.

Nipponeer Records being based in Tokyo, Japan; was founded by Hiroshi Fukuma in 2003. This is the 101st release of the label, while the first EP came out in 2009 - aiming to reach a place of solely ageless and quality music, where time has got no dimension.
